

Cold Molds for Cakes

Patent Pending!

We are proud to offer "Cold Molds" cake molds to the Ice Cream Industry.

Cold Molds are manufactured from a highly flexible FDA approved Silicone Rubber. They are designed specifically for the manufacture of ice cream cakes and are far superior to aluminum and spring form cake molds.

The possibilities are endless!

Why use Cold Molds?

- 1. Easy Storage.** Cold Molds nest neatly into each other, allowing six or more molds of the same size to occupy the same shelf space!
- 2. Easy to Clean.** The same non-stick properties that allow easy un-molding make the product very easy to clean!
- 3. Durable.** No denting or deforming of these pans, and no flimsy springs to break off. They even have a lifetime guarantee!
- 4. You can even bake in them!** You can bake a layer of cake and place Ice Cream right on top. Bakes brownies perfectly, making a distinctive and delicious "Brownie on the Bottom" cake.
- 5. Shamefully easy to remove product from the mold!** Just grab a corner and pull! No heating! No melting! Top the cake right away!
- 6. No fingers sticking to cold aluminum pans.**

Quarter Sheet Cake Mold

Our innovative 1/4 sheet, rectangular cake mold makes an approximately 76-ounce cake. Each mold comes complete with a plastic frame, to help keep the mold straight and stable during freezing. The frame is washable and durable. The mold can be used with or without the frame.

Sealers & Bags

Heat Sealer

Seal poly bags quickly and efficiently without having to wait for warm up. Simple operation allows effortless professional and sanitary packaging of ice cream novelties. Heat sealing is also appropriate for a variety of food and retail packaging needs. Maintenance kits have two heating elements, two Teflon covers and two Teflon adhesive strips.

- 4" Impulse Heat Sealer Item #HS-100** \$49.95
Maintenance Kit for HS-100 Item # RK4H \$8.00
- 8" Impulse Heat Sealer Item #HS-200** \$64.95
Maintenance Kit for HS-200 Item # RK8H \$10.00

Tape Sealer

Tightly seal poly bags in one quick motion. This is a simple, economical way to close poly bags with vinyl packaging tops. Capable of sealing 2,000 bags per hour and uses only 2" of tape per seal.

- 3/8" Tape Sealer** Item#: DT-A \$20.95
- Red PVC Tape for DT-A Item#: ST01R \$4.50
Blue PVC Tape for DT-A Item#: ST01B \$4.50
Green PVC Tape for DT-A Item#: ST01G \$4.50
Yellow PVC Tape for DT-A Item#: ST01Y \$4.50
Orange PVC Tape for DT-A Item#: ST01O \$4.50
White PVC Tape for DT-A Item#: ST01W \$4.50

Poly Bags

These poly bags are FDA approved for food contact and are an exceptional way to package your ice cream products. We use two bags to package our products with a paper label in between the two bags. This allows us to use inexpensive and versatile paper labels while maintaining sanitary packaging standards.

- 4"x6" Flat Poly Bag for "inner" ice cream bar bags**
1000 - 1.5ml bags Item#: CMFB46 \$18.00
- 4"x8" Flat Poly Bag for "inner" ice cream bar bags**
